Individual Excellence in a Supportive Learning Environment

A few points to note before submitting your forms:

- Every person living in your home (or someone who regularly stays overnight in your home) who is 18 years of age or over must submit a police vetting form.
- The students room will be furnished with desk for students (2 weeks & over), chair, wardrobe, bed (double or single) and bedding.
- Being a homestay family should not be relied upon as a constant source of income. Students come for short or long stays and when one leaves we may not be able to place a student with you again immediately.
- Homestay payments should be considered more of a reimbursement for costs associated with having an additional person in your family rather than an additional source of income.
- Our peak demand periods for homestay families are: late January, April, & July.
