

INSURANCE IMPORTANT INFORMATION

The Code requires that all students enrolled with a signatory for 2 weeks duration or longer must have appropriate insurance cover. In order to better fulfil our duty-of-care for all international students enrolled at Ashburton College, this policy requires all international students to have appropriate insurance cover including those who enrol at the school for less than two weeks.

Ashburton College will therefore ensure that all supervised-group students and individual students have appropriate insurance for the duration of their enrolment, and if practicable, for the duration of their time in New Zealand including travel between their home country and New Zealand. Insurance policies, whether arranged by the school or the student or their family, will be deemed to be appropriate if they provide cover for:

- ✓ medical expenses to the value of NZ\$1,000 000 to unlimited
- ✓ repatriation or expatriation of the student as a result of serious illness or injury, including cover of travel costs incurred by family members assisting repatriation or expatriation; and
- ✓ death of the student, including cover of—
 - (i) travel costs of family members to and from New Zealand; and
 - (ii) costs of repatriation or expatriation of the body; and
 - (iii) funeral expenses
